

RECORD OF PROCEEDINGS
FORT LUPTON HISTORIC PRESERVATION BOARD
October 3, 2016

The Historic Preservation Board of the City of Fort Lupton met at the City Complex, 130 South McKinley Avenue on Thursday, September 1, 2016. There was no quorum due to member attendance, however discussion occurred.

ROLL CALL

Those present were Barbara Duncan, Beth Block and Marlene Stieber. Also present were Planner Alyssa Knutson and Planning Technician Mari Peña.

DISCUSSION ITEM

Cemetery Walk

The City Planner Alyssa Knutson indicated that about 15 people attended the Cemetery Walk. Discussion occurred over location of the reenactors, advertising and marketing of the walk, and signs at the cemetery. Everyone agreed that the Bingo cards were a great success. The Bingo cards contained questions about the stories and graves. A Bingo was earned when the questions were answered in a vertical, diagonal, or horizontal direction. Goodie bags were given to all who attended. The City Planner also indicated that DebraRay Thompson, the Museum Supervisor, would be sending thank you cards to all the volunteers. Members discussed if the reenactors should be lined up along the cemetery entrance or continue to be at several graves. There were a few reenactors that were on the east side entrance and were a bit far from the other reenactors. Members also discussed going to City of Brighton's Cemetery Walk this coming Saturday. It was agreed that advertising and marketing should be a focus for next year's event. Signs along the road and at the Cemetery may also help with future events. The City Planner thanked everyone for their attendance and communication with the enactors as many of them are not on the Board.

Update on plaques

Planning Technician Mari Peña updated the members on the status of the research of the murals at the middle school. She read an email from Eugene Morris from NARA indicating that there was no information on file for the murals at the middle school.

The discussion was over at 7:00 p.m.
