Police Blotter

This month I thought that I would tell you about a few of the wonderful things going on around our city. First, a couple of months ago, I received a call from an elderly woman who lives here with her disabled sister. The weeds in the rear of her house had gotten out of control, and she was afraid that she would get a weed violation from the city. She was desperate because she couldn't do the work herself and could not find anyone to help her out. I called Cody LeBlanc late in the day and asked him if he could give her a hand. He said that he would be leaving very early the next morning to Washington DC for the DC Focus Tour, but that he would help her out. Later the next day I received a call from the woman explaining that Cody had done a wonderful job. Isn't it nice that we still have young folks that are ready and willing to help when needed?

This year we had one of the most successful National Night Out celebrations we've ever had. The police department served 240 hamburgers and 320 hot dogs free of charge. Our local cheerleaders and dance team sold pop for a dollar a can and asked for donations for their new uniforms. Although they could still use a few donations, Cheer and Dance teams raised \$525. It was marvelous to see the energy of these young people and the generosity of our citizens. We had many booths set up to pass out information from service organizations in our community. Through the whole event, the dancers kept things moving in the park with lots of music and dancing.

Finally, I hope each of you makes an effort to attend Trapper's Day this year. It is building up to be quite an event. Starting off on Friday September 5th with the golf tournament, followed by a concert and dinner in Koshio Park. Saturday, we will shut down our down town for safe family fun. Beginning with a delicious breakfast at Fire Station Number 1 from 7:00am-10:00am when our parade will kick off. This year we are honored to have Dr. Ron Caskey as the announcer for the parade and to sing the national anthem. The Weld County Sheriff's Office Mounted Posse will be presenting the colors. You're sure to have a great time throughout the day with booths and games down town. It all concludes with a street dance in front of Wholly Strombollis.

As always, I am at your service,
